

RECOGNISE FOUL CHALLENGES - PART 2

CARD #8

- 1 Are you in a **good position**, close if required and with a good open angle, to see the type of challenge committed?
- 2 Use your whistle to **stop play** and vary the tone to match the **severity** of the challenge.
- 3 Consider moving into the **location** of the challenge in order to **take control**.
- 4 Make sure as you move in to keep your wits about you, remain **focused** and watch player's **reactions**.
- 5 Keep your **attention** on the **player** who committed the foul challenge. Don't lose them.
- 6 **Don't sprint** into the location but **move quickly**, thinking and deciding what you are going to do.
- 7 **THINK** what type of challenge has been committed, careless, reckless or one using excessive force?
- 8 If a player is **injured** consider their **treatment/welfare** first.
- 9 Deal with the **offending player**, managing the situation taking into consideration whether the challenge was careless, reckless or one using excessive force.
- 10 Take **CONTROL** of the free kick. Don't allow a free kick once you have moved in to take control.
